2nd Edition! Read all about it!

This is the 2nd edition of what is a quarterly update about the on-goings on the building works in your community! We will continuously add more to the newsletters as we progress further

As you can see we have now got 70% of all the onsite roads established and continuing to work on drainage to site. We have now started on our showhouses with a

view to have these open for later in the year.. so please feel free to come and see the sales rep and have a look! Hopefully if this nice weather holds out, we can commence the brickwork and start moving site forward

Considerate Constructor

The Considerate Constructors Scheme is the national initiative set up by the construction industry to improve its image.

Sites and companies that register with the Scheme are monitored against a Code of Considerate Practice, designed to encourage best

practice beyond statutory requirements.

Vision & Core Values

By providing our clients with the highest possible quality of service and through sustainable, profitable growth, our vision is to be the most highly respected company in the industry.

"By maintaining our core values and remaining focused on improvement & delivery, our vision will become reality."

A proactive and committed approach to project and service delivery runs throughout Kier Group. As we continue to grow, there are some fundamental characteristics deeply embedded within the Group that will never change. These are our core values.

Be enthusiastic, open and honest
Be proactive, committed and safe
Be a team
Be Kier

These simple, realistic values should always represent the very essence of how we do business. The importance of upholding them at every opportunity is paramount if we are to continue to enjoy a culture that earns us the respect and admiration

Improving Manager Skills

- Developing road transport policy
- Managing work related road safety
- Managing driver fitness and impairment
- Managing driver assessment and training
- Post collision procedures and analysis
- Safe and efficient fleet management
- Reducing fuel use and minimising environmental impacts
- Minimising transport fines and charges
- Monitoring and measuring road fleet performance

At Kier our buyers always require our suppliers to sign up to the fleet operators recognition scheme to add safety to all on the road, we do this when they send in the tenders.

Please don't hesitate to contact myself if theres anything you wish to know regarding site, or also if you have any questions or concerns

Thank you
