Ashley mowers have decades of experience in selling and servicing garden equipment.

We have dealerships for John Deere, Honda and Stihl garden equipment and excellent contacts with other suppliers if you require larger gear.

We service all garden equipment and will give you a quote before we proceed and always will consult you if we find bigger problems than expected. We also offer a collection and delivery service.

We are rated one of the best dealer and repair shops for 25 miles.

# Products & Services

Supply of new John Deere, Honda & Stihl products.

Repair of all equipment including: ATCO, Flymo, Hayter, Lawnflite, Mountfield, Qualco, Toro & Westfield, etc

We have very competitive rates for repairs. Usually the time spent is the majority of the cost but spare parts are sometimes quite expensive.
